

Thurs. Morn Court House

the Continental card

Dear Vicki and Jimmy, I
am the first one to
send a note. Love,
and Mary. The mornings are
chilly but it warms up
during the day. It is so
interesting being here
and the defense started
yesterday. The bailiff
just made coffee and I
will have a cup soon.

An interesting view of Seattle, Washington from the
central business district across Lake Union toward
the northern residential area. Showing on the right
is the freeway, part of U.S. Highway 5, which runs
from Mexico to Canada without a single stop sign.
